

Shangjiao Sun

Address: 4768 Gainsborough Dr. Fairfax VA.

Telephone No.: (703)-678-5217

E-mail: sshangji@masonlive.gmu.edu

Objective

Event Information Assistant: make good use of reservation system for events and Event Planning and Exhibition designing.

Education

George Mason University Sept. 2015-Now M.A Graphic Design

China Xi'an University of Architecture and Technology, Sept.2014-Now M.A Art Designing (Current enrolled)

China Xi'an University of Architecture and Technology, Sept. 2010-Jul 2014 B.S Landscape Design

Research Experience (In Chronological Order)

Jan.2014-Sep.2014 IFLA International Student Landscape Architecture Design Competition (Excellent Prize)

- Learned landscapes substituted by new proposals and originated by needs, which may not have always kept the environmental balance.
- Proposed new ideas sustained by “reflective thought” that will try to solve the unsustainable problems of urban landscapes in emergency
- Used advance techniques to improve the management and building of a landscape of places and of new spaces of urban sustainability.

Jun-Sep.2013 Guangdong Dachao Company Interior Landscape Designer

- Investigated the areas of housing, structure, decoration situation and landscape.
- Reconnected places to the geographic, social and cultural context that contains them, and to recover the essence of their identity and values.
- Identified and transformed new and old spaces
- Applied innovative and sustainable technologies with CAD software, generated formal and environmental combinations; and humanized the places and their landscape.

Aug.2010-May 2012 XI'AN Dongshi Workshop Wall Painting Designer

- Tried using more than one color and material for the abstract painting. Looked to striped fabrics for ideas about combinations of colors and widths.
- Combined different paint sheen for even more interest
- Used colored pencils that match the stripe color for marking the wall.

Volunteer Experience (In Chronological Order)

Jan.2016-May 2016

Mason International i café Event Planning

- Organized an on campus activity, planning activities and supplies which contribute to mason diverse development.
- Designed the display stand of China and Russia. Promoted Traditional Chinese and Russia culture such as food culture calligraphy.
- Developed painting skill and the software Photoshop in practice
- Combined different culture characters and style in one event for even more interest.
